With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance. If the County's Risk Manager determines that there is no reasonably priced coverage for volunteers, evidence of participation in a volunteer insurance program may be substituted.

- b. Comprehensive General and Automobile Liability Insurance - This coverage to include contractual coverage and automobile liability coverage for owned, hired and non-owned vehicles. The policy shall have combined single limits for bodily injury and property damage of not less than one million dollars (\$1,000,000).

Within sixty- (60) days of the commencement of this Agreement, the VENDOR shall furnish certified copies of the policies and all endorsements.

7. Insurance Review

The County's Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of the COUNTY. In addition, if the Risk Manager determines that heretofore, unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized but not required, to change the above insurance requirements, to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the COUNTY, inflation, or any other item reasonably related to the County's risk.

Any such reduction or waiver for the entire term of the Agreement and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. VENDOR agrees to execute any such amendment within thirty- (30) days of receipt.

The COUNTY realizes that factors other than revenue are important. As a result, revenue may not be the sole factor upon which the COUNTY'S decision to award is based. The COUNTY will make the award based upon the proposal, which best meets its need. The COUNTY may reject any or all proposals, any portion of a proposal, and may waive any informality or immaterial irregularities in a proposal.

IX. PROPOSAL EVALUATION AND SELECTION

A. Evaluation Process

All proposals will be subject to a standard review process developed by County. A primary consideration shall be the effectiveness of the agency or organization in the delivery of comparable or related services based upon demonstrated performance. The evaluation will be based on the written proposal as submitted, but may include a site visit to the Vendor and/or an oral interview with the Vendor.

B. Evaluation Criteria

1. Initial Review - All proposals will be initially evaluated to determine if they meet the following minimum requirements:
 - a. The proposal must be complete, in the required format, and be in compliance with all the requirements of this RFP.
 - b. Prospective VENDORS must meet the requirements as stated in the Minimum requirements as outlined in Section I, C.
 - c. Failure to meet all of these requirements will result in a rejected proposal. No proposal shall be rejected, however, if it contains a minor irregularity, defect or variation if the irregularity, defect or variation is considered by the County to be immaterial or inconsequential. In such cases the Vendor will be notified of the deficiency in the proposal and given an opportunity to correct the irregularity, defect or variation or the County may elect to waive the deficiency and accept the proposal.
2. Technical Review – Proposals meeting the above requirements will be evaluated on the basis of the following criteria:
 - a. Equipment quality features and design.
 - b. Ability and commitment to provide maintenance and service.
 - c. Commission rate offered, based on the highest percent of gross billable revenue generated for local, intralata, and interlata calls.
 - d. Ease of system operation for inmates and staff.
 - e. Information from references provided.
 - f. Financial stability and resources of vendor.
 - g. Experience and expertise of vendor staff.
 - h. Attention to the requests and requirements stated in this RFP.

The evaluation team will consist of representatives from the Sheriff's Department, Sheriff's Inmate Welfare Committee, County Purchasing Department and County Information Services Department.

C. Contract Award

- 1. Contract(s) will be awarded based on a competitive selection of proposals received.
- 2. The contents of the proposal of the successful VENDOR will become contractual obligations and failure to accept these obligations in a contractual agreement may result in cancellation of the award.
- 3. Award of contract may or may not be on an all or nothing basis or by trade and or geographic area. The County reserves the option to make award(s) as it deems to be in the best interest of the County.
- 4. Commission rate is one factor in the evaluation process, but the County is not obligated to accept the highest commission rate proposal. Ability to provide quality service in a timely manner in accordance with the RFP requirements is critical to a successful proposal.

D. Disputes Relating to Proposal Process and Award

In the event a dispute arises concerning the proposal process prior to the award of the contract, the party wishing resolution of the dispute shall submit a request in writing to Deputy Chief Norm Hurst, within ten (10) days of notification on non-selection.

Grounds for an appeal, is that the County failed to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments; there has been a violation of conflict of interest as provided by California Government Code Section 87100 et seq.; or violation of State or Federal law. Appeals will not be accepted on any other grounds. The County will consider only those specific issues addressed in the written appeal.

The Sheriff or designee shall consider the request and respond in writing within ten (10) days. Failure to do so waives any objection. The Sheriff or designee shall consider any matter appealed during a scheduled hearing, within thirty (30) days of receipt. The decision of the Sheriff or designee shall be final with respect to matters of fact.

All disputes and/or appeals must be submitted to:
